*****REMEMBER TO CHECK THE WATER CONSERVATION HOTLINE FOR CURRENT WATER RESTRICTIONS! 214-509-3111. Call for recorded information on our current drought status before you water your landscape! Or check website: www.cityofallen.org**

***** The Sustainable Landscape Series is back!** The first class will be held Saturday, January 26 10am at the Community Room located at 301 Century Parkway. Additional classes run through May. For more information on the classes, dates, and registration, please go to our website: www.cityofallen.org Look in Water Conservation Education and Online Resources **OR** call 214-509-4553.

The holidays are over – it's out with the Old and in with the New!

In with the New!

*Make space in your home for new clothes and household décor by donating the old to a local charity.

*Keeping that new e-reader? Friends of the Allen Public Library would like to have your old books for reuse.

*Found some time on your hands? Volunteer with the non-profits in your community.

Out with the Old!

*The Allen Animal Shelter makes good use of old blankets, mattress pads, towels and pet care products.

*Tossing that old cell phone? Rotary Club will recycle your old cellphone – and the eyeglasses you used to see it!

*Replacing batteries? The City of Allen will recycle your rechargeable, button cell, and lead-acid batteries in their HHW program. Call 214-509-4551 to set up a collection.

* Replacing that dinosaur computer? Check the city website, www.cityofallen.org for the next electronics recycling event to be held in March.
