## City of Allen H<sub>2</sub>Ome Improvement Residential Rain and Freeze Sensor Rebate Program Application

## **Rebate Program Guidelines**

- Participant must currently own and have a City of Allen water utility account in good standing for the
  property where installation of qualifying item is to occur. This program is for owner-occupied
  residents only, tenant and commercial requests will not be eligible.
- Irrigation must have been installed prior to November 1, 2004 and must not already have a rain <u>and</u> freeze sensor device installed. Only new, qualifying models of rain and freeze sensors will be eligible for rebate. A list of qualifying rain and freeze sensors can be found online at <u>www.cityofallen.org</u>
- Applications must be received within 120 days of purchase of eligible water conserving item. Rebates will be processed in the order they are received on a first-come first-served basis. Incomplete applications will not be processed. All rebates are subject to the availability of funds. Please check our website at <a href="https://www.cityofallen.org">www.cityofallen.org</a> to ensure funds are available for your rebate. The amount of available funds will be updated each month. Funding for each fiscal year will run October 1 through September 30. At the end of each fiscal

- The City of Allen does not require an irrigation permit to retrofit an irrigation system for a rain and freeze sensor. The rain and freeze sensor rebate amount will include the price of a qualifying rain and freeze sensor, installation hardware, and installation costs incurred by a licensed irrigator up to \$50 per utility account. Tax is not included. Limit one rain and freeze sensor for the lifetime of a residence. Home Owner Associations are eligible for one rain and freeze sensor rebate per water utility account up to five. No participant shall receive more than \$500 in one year from the City of Allen rebate program for any combination of eligible items.
- The City of Allen will gladly take recommendations for new rebate program items. However, the City will only republish its program once per fiscal year and new items accepted will not be included until the next program year's guidance materials are produced.

## **Rebate Program Instructions**

Select, purchase and install rain and freeze sensor from qualifying list. Then, mail in rebate application with requested copies enclosed. Originals of all copies must be present should an onsite verification occur. If original receipts are not provided or installation of device cannot be verified, the request for rebate will be denied.

Enclose the following with your application and mail to:

City of Allen, Attention: R & F Sensor Rebate 305 Century Pkwy., Allen, TX 75013-8042

Copy of original invoice or sales receipt showing date and place of sale, date of installation is
performed by contractor, itemized description of purchase, cost of items and cost of labor.
Copy of the original proof of purchase with complete barcode. (if self installed)

Please retain a copy of all material submitted for your records. The City of Allen is not responsible for materials lost by mail.
