## **CLASSIFICATION OF FOOD ESTABLISHMENTS & FEE SCHEDULE**

The following are definitions utilized by the Health Authority to classify food establishments and delineate the cost of the annual Food permit:

<u>Establishments Involved in Heavy Food Preparation:</u> Heavy food preparation shall mean any entity in which foods are prepared, utilizing a grill, griddle, deep-fat fryer, commercial-type oven, and any similar food preparation equipment; or any area subject to flooding or wet cleaning procedures due to the cutting or processing of meat, poultry, fish, or pork. Heavy food preparation includes, but is not limited to, cafeterias, fast-food restaurants, full-service restaurants, pizza preparation, and donut preparation.

<u>Establishments Involved in Light Food Preparation:</u> Light food preparation shall mean any entity in which food is prepared without the use of fryers, grills, or other similar equipment. Light food preparation is usually limited to the preparation of hot dogs, sandwiches, salads, or other similar foods and fountain-type cold drinks.

<u>Establishments Involved in No Food Preparation:</u> No food preparation shall mean any entity in which foods are provided prewrapped from an approved source with microwave or convection-type ovens. No food preparation is usually limited to prepackaged sandwiches or similar food, candies, and containerized cold drinks.
