VISITOR CENTER & SKATE PARK RESERVATIONS

214-509-4760

The Edge @ Allen Station Park 201 E. St. Mary Dr. Allen, TX 75002

The Edge @ Allen Station Park combines unique recreational elements with instructional classes and activities to

accommodate the needs and interests of the community. This facility includes a state of the art, in-ground cement skate park with both street course & bowl elements, a 900 ft. BMX dirt track, two full-size

hockey rinks, and a Visitor Center that includes a lobby, computer lab, media room and full service concession stand.

The Visitor Center

requires a membership to utilize both the media room & computer lab. Memberships are open to kids ages 10-18 years old and cost \$10 a year for residents & \$20 a year for non-residents. All outside amenities (skate park, BMX dirt track & hockey rinks) are free to use and are open daily from 8am-11pm.

Visitor Center Rental Fees

Resident Rate \$80/hr (Min. 2hrs)

Non-Resident Rate \$100/hr (Min. 2hrs)

A \$100 security deposit is required at the time of reservation application.

The Visitor Center offers a 1,600 sq. ft. lobby available for rent. The lobby includes a modular sofa, four lounge chairs, six 36" round café tables and both a billiard & foosball table. Also, the facility is equipped with a projector & screen (can be utilized for movies and/or presentations) and four 27" televisions (Cable available) Rental times available are as follows.

<u>Monday–Saturday</u>	<u>Sunday</u>

A \$500 security deposit for each event is required at the time of submitting all reservation application requests. \$1 Million liability insurance is required to rent the Skate Park.

Designed and built by Site Design Group from Tempe, AZ, one of the premier skate park design companies in the United States. The Edge Skate Park is 37,915 sq. ft, and is the largest in-ground cement park in the state of Texas. Elements Include: street fixtures including stairs with handrails boxes, ledges, a "picnic table" (not for picnicking), wide variety of bowls and transitions ranging from $6' - 9 \frac{1}{2}$ deep, steel coping throughout for grinding and a large amount of bank slope areas for beginners to practice on.

All user rules posted at the park must be adhered to. For any competitions and/or exhibitions, helmets must be worn.
