RE: Requirement

I. **PURPOSE**

The purpose is to clarify the requirements for painting boarded up vacant and substandard structures.

II. SCOPE

All structures whether substandard or vacant that are boarded up shall paint the exposed wood.

III. **REQUIREMENTS**

All structures whether substandard or vacant that are boarded up whether residential or commercial that have been boarded up with exposed wood or other acceptable material shall be painted to match the current exterior color of the structure so as not to be a nuisance and to prevent UV and exterior degradation to the material.

IV. RESPONSIBILITY

The responsibility for structures to comply with this requirement is on the owner and their contractor to meet these requirements.
