## Neighborhood Memory Café\*

Speaker: Patti Dickson Location: Classroom A&B

The Neighborhood Memory Cafe is a place where individuals with memory loss and their caregivers can get together in a safe, supportive, and engaging environment. It is a time where people can interact, laugh, cry, find support, share concerns, and celebrate without feeling embarrassed or misunderstood. The Neighborhood Memory Cafe encourages friendship and acceptance - it is a place where people with memory loss and their care partner can remain socially engaged with others traveling the same journey. If you know someone that would benefit from this educational and social opportunity, please encourage them to attend—membership is not required to participate in this special gathering!
