This event is a Pro level scooter competition and an ISA (International Scooter Association) National Qualifier for the US Scooter Championship Final to be held in the Summer of 2014. There will be three divisions; Beginner, Intermediate and Pro. Amateur competitions will include prizes (product) provided by the event's sponsors and the Pro division will receive a cash prize for the top three riders. Also, the top ten riders in the Pro Division will advance to the US Championship Final. Helmets will be required for all competing riders.

Contest Format

Beginner

- Each rider will be given two 45 second runs. Two judges will score each run, the average of the best run from both judges will be used to determine that participants run. Top 3 will be awarded 1st, 2nd and 3rd award spots.

Intermediate

- Each rider will be given two 55 second runs. Two judges will score each run, the average of the best run from both judges will be used to determine that participants run. Top 3 will be awarded 1st, 2nd and 3rd award spots.

Pro Qualifier

- Each rider has two individual 60 second runs.
- The riders second run will take place in succession with the other riders. Only once all other pro riders have completed their first run does a rider have his/her second run.
- The rider's best score of the 2 runs will be the score taken and in-putted into the ISA spread sheet.
- The top 15 riders will be entered into the Pro Final.

Pro Final

- The top 15 will go head to head producing two more runs in the same format as above. The rider's best score of the two runs will produce a top 15 places.
- The top 10 US riders secure a place into the US Championship Final.

Prizes

- Amateur Divisions will receive product donations from sponsors for 1st, 2nd and 3rd place finishers.
- Pro Division will receive a cash payout for 1st, 2nd and 3rd place finishers. (Payment of prize money will take 2-3 weeks to process.)
