### **Can my child bring their cell phone?**

- Although not prohibited we recommend cell phones be left at home. We work hard to provide fun activities and we want the kids to have a great time with their friends at our facility. Cell phones can be an unnecessary distraction for them.
- Cell phones are easily lost and/or stolen which would quickly ruin their good time.
- Cell phones with cameras can be both a nuisance and may encourage inappropriate behavior or unwelcomed videotaping; we are very serious about providing both a fun and safe environment for kids to attend.
- If a child is caught using their cell phone for any reason other than calling their parents it will be stored in a safe place and returned when their parent comes to pick them up.
- The kids are allowed to use the facility phone if they need to call their parent.

### **What does your “Zero Tolerance Policy” mean?**

- We are committed to creating a safe and fun atmosphere at our facility so we will not tolerate any violent, abusive, illegal or inappropriate behavior.
- Any child involved in a physical altercation will be removed from the program and a parent will be called immediately. Any child found to be bullying others will be asked to leave immediately and if the behavior continues, they will be subject to indefinite suspension from SNRNR events.

### **How many adults do you have attending each night and who are they?**

- We always keep a ratio of no more than 25 children to 1 adult and there is never an area of our facility that is left unattended.
- When we hire Saturday Night Rec N Roll chaperones we have strict criteria that we look for:
  - They must be over 18
  - They must have experience with children
  - They must exhibit a confident and caring manner
- Being hired as City of Allen staff, they are subject to several background checks and drug testing.
- At least 1 supervisor is always on duty during an event to monitor all activities.
