

CITY OF ALLEN
PUBLIC NOTICE
VIRTUAL TOWN HALL MEETING

NOTE: Due to the Declaration of Public Health Emergency, the Allen Community Development Town Hall meeting is being held via videoconference.

The Allen Type B Community Development Corporation (CDC) Board is seeking input from Allen residents on how to spend proceeds from the CDC's half-cent sales tax through a city-wide public input meeting.

The meeting will be at **7:00 p.m. on Monday, March 15, 2021**, via Video Conference. Specific instructions on how to participate in the meeting will be posted in the Allen Community Development agenda. The agenda will be posted at <https://www.cityofallen.org/Calendar.aspx?EID=7992> on Friday, March 12, 2021, at 5:00 p.m.

The half-cent sales tax became effective on October 1, 1996, and the CDC Board was formed on November 18 of the same year to oversee the spending of the sales tax revenue. These funds can only be spent on land, buildings, equipment and improvements which are suitable for professional and amateur athletics, entertainment and tourism, parks and public spaces, transportation and other projects which promote new or expanded business enterprises.

Members of the public are entitled to speak remotely at the Town Hall meeting by submitting the online registration form at www.cityofallen.org. For additional information, contact Rocio Gonzalez at 214.509.4114 or rgonzalez@cityofallen.org.
