

## HOMEOWNER'S AFFIDAVIT

Date: \_\_\_\_\_

This is to certify that I am the property owner of the premises known as:

and that the Building, Mechanical, Electrical and Plumbing (gas repairs require a gas test with a Certified Diaphragm Gauge) *(please circle all that apply)* work covered by this permit is to be done by me at the address shown above which is my homestead. I do hereby swear that I will do all the involved building work myself. I will not hire anyone nor request anyone to do the work for me, either for money or other compensation. **I understand fully that all building work will be inspected.** In case the work is issued a red tag by a City Inspector for International Residential Code (2015) violations, I certify that I will employ a contractor who is licensed and bonded with the City of Allen to correct the violations and complete the work after obtaining a permit.
